Beckie, I know we didn't see eye to eye on many occasions, but I'm glad we finally got together and became friends. I'm really glad we did. I've had a lot of fun in band and study hall with you and Dayle. Good luck with the guys and your career.
Friends Forever,
Lorie
P.S. Be easy on the freshmen in the next 2 years. Ha! Ha!

Beckie,
To a very special friend we had many good times in the past and present, so lets have twice as many in the future. Remeber at the V-ball game when you signed my arm, that was pretty funny wasn't it. You are also the best twirler for Hebron High. I wasn't for your band would absolutely so good Hebron you have a great personality and a charming smile, keep it up and you will go far in life. Set your goals high and you will be able to achieve them. Good Luck with everything and let us live it up while we got 3 good years left, (Soph, Jun, Sen) and make the best out of those remaining years.

Friends always,
Kris
